ANSHIKA PATHAK

Full Stack Developer (Java Backend Focus)

BCA Student | React.js, Next.js, Java, Spring Boot | Git, GitHub, GitLab, Postman

PROFESSIONAL SUMMARY

Motivated Full Stack Developer with a strong focus on Java backend development and modern frontend technologies. Experienced in building scalable web applications using React.js, Next.js, Java, Spring Boot, REST APIs, and database systems. Passionate about software engineering, clean code, problem-solving, and delivering user-centric applications.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, C, C++
Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Bootstrap, Tailwind CSS
Backend: Java, Spring Boot, REST APIs, Flask, MERN Stack (Learning)
Databases: SQL, DBMS Concepts
Developer Tools: Git, GitHub, GitLab, Postman, VS Code, NPM, Vercel, Netlify, Render, Jupyter Notebook
CS Fundamentals: OOP, DSA, DBMS, Operating Systems, Computer Networks, COA

PROJECTS

TalkSync – Real-Time Chat Application
Developed a modern chat platform with real-time messaging features, responsive UI, user authentication, and seamless communication experience.

AI Career Assistance Platform
Built an AI-powered platform that assists users with career guidance, skill recommendations, learning paths, and professional growth planning.

Student Record Management System
Designed and developed a student management application supporting CRUD operations, record tracking, and efficient data handling.

Game Development Projects
Created multiple game-based applications to strengthen programming logic, UI development, and software design skills.

EDUCATION

Bachelor of Computer Applications (BCA)
GLA University, Mathura (2023–2026)
CGPA: 8.71 / 10 (Till 4th Semester)

Class 12 (UP Board) – 93% (2023)
Class 10 (UP Board) – 83% (2021)

ACHIEVEMENTS & CERTIFICATIONS

• Hackathon Participant – Developed a website as part of a team and received a participation certificate.
• District Topper Recognition – Secured 1st position at district level in Class 12 with 92.8%.
• CCC (Course on Computer Concepts) – Certified.
• ADCA (Advanced Diploma in Computer Applications) – Certified.

LANGUAGES

Hindi (Native/Fluent), English (Conversational)
